

City of Austin

Wastewater Treatment Plant Maintenance Technician- Application Supplement

To All Job Applicants

Completion of this supplement is required as part of the City of Austin's employment process to accurately evaluate your qualifications and abilities for the position. Please answer **all** questions thoroughly - do not reference your resume in place of an answer.

Applicant Information

Name _____

1. What electrical license do you currently hold, and are you willing to work toward obtaining your Master Electrician License?

2. Please describe in detail your experience with the maintenance and repair of electrical equipment.

3. Describe in detail your experience with installation and programming of VFD's.

4. Please describe in detail your experience with SCADA system.

5. Please describe in detail your construction and building maintenance experience, including the types of duties you have performed.

I certify that all the information I have provided on this supplement is correct and that I have not omitted any information. I understand that giving false information or omitting requested information may disqualify me from further consideration for employment or result in dismissal, if discovered later.

I authorize the City of Austin to verify this information to determine whether I am qualified for the position for which I am applying.
